GRADE FIVE CANDIDATES ONLY

Please have Parent/Caregiver sign to allow candidate to become a member of the NZ Academy of Highland & National Dancing.

Candidates sitting any Academy examination subsequent to passing Grade Five are required to be financial members of the Academy. Initially this requirement is met by the one year complimentary Student membership that is granted to all successful Grade Five candidates. Once this membership period has ended, candidates must pay a Student subscription.

In practice this means:

- *If a candidate passes Grade Five in the September examination session, their year's complimentary membership will commence on the preceding 1st of July of the same year and continue until the beginning of July the following year. Such candidates will be able to enter examinations in the following May examination sessions only under this membership.*
- *If a candidate passes Grade Five in the May examination session, their year's complimentary membership will commence on the 1st of July of that year and continue until the beginning of July the following year. Such candidates will be able to enter examinations in both the September and following May examination sessions under of this membership.*
- *At the end of the complimentary membership, examination candidates must be financial student members to complete the requirements of their diploma.*
